COD.

79598

The MasterEx 79598 LED torch offers 13 hours of continuous work with 4 AA alkaline batteries and is equipped with a 1W power LED.

Its light, ergonomics and IP68 protection grade makes it a perfect torch for use both in hazardous gas areas, up to Zone 0, and for underwater use.

La lampe LED MasterEx 79598 offre une autonomie de 13 heures avec ses 4 piles alcalines AA et elle est composée par un LED de puissance 1W.

Sa légèreté, ergonomie et degré de protection IP68, la transforment en lampe parfaite pour utiliser dans les environnements de gaz explosifs dangereux, jusqu'à la Zone 0, comme pour utilisation subaquatique.
