Description

Canyon Black is a S3 SRC protection class safety boot recognized for its lightness and robustness. The details make the boots, from the abrasion resistant direct injected double density PU sole to the flexible and light perforation-resistant KEVLAR midsole, a safety boot has never felt so robust.

Foot health and comfort are ensured by the Nubuck Leather upper, a Breathable Dri-Tex lining, and a Fiberglass toe cap (impact-resistant to 200 J) making it a 100% metal free product.

Safety boot available from size 39 to 48, Canyon Black is the ideal boot for construction, brickwork, mining and everyday activities.
