

## Project Sheet

**Project designation** | Creation of an industrial establishment for the production of medical devices

**Project code** | NORTE-02-0853-FEDER-045034

**Main objective** | Strengthening the competitiveness of small and medium-sized enterprises

**Intervention region** | North

**Beneficiary entity** | OASIPOR - MEDICALWEAR, S.A.

**Approval date** | 14-04-2020

**Start date** | 29-09-2020

**Completion date** | 29-09-2022

**Total eligible cost** | 3,573,594.45 euros

**Financial support from the European** | FEDER - 1,072,078.34 euros

### **Objectives, activities and expected/achieved results**

With this project, Oasipor intends to create a new establishment for the production of disposable medical devices. In addition, innovative equipment will be produced that will allow the integration of the production system with sales and stock control, thus allowing greater production control to guarantee higher quality products and even less waste. Thus, in the post-project year, it is intended to achieve a GVA of €1,447,243.04, a turnover of €5,747,297.65 and also create 10 new qualified jobs.
