

## Product Specifications

### SRH440 Professional Studio Headphones

#### Overview

The SRH440 Professional Studio Headphones provide exceptional sound reproduction and comfort. Optimized for home and studio recording, SRH440 headphones reproduce accurate audio across an extended range. Impedance, power handling and sensitivity are all calibrated for professional audio devices such as DJ mixers, mixing consoles, and headphone amplifiers.

#### Features

- Enhanced frequency response delivers accurate audio across an extended range
- Closed-back, circumaural design rests comfortably over the ears and reduces background noise
- Impedance and power handling optimized for performance with professional audio devices
- Adjustable headband and collapsible construction provide comfort and portability
- Legendary Shure quality to withstand the rigors of everyday use
- Bayonet clip securely locks cable into ear cup
- Replaceable ear cup pads ensure long product life
- 3 meter coiled, detachable cable provides plenty of length and easy storage and replacement
