

9120 CHEMPIOIL TRUCK CH-20 SHPD

CHEMPIOIL CH-20 TRUCK is a SHPD engine oil on a synthetic basis for use in heavily loaded trucks. Thanks to its unique consistence it has perfect viscosity-temperature properties that guarantee easy cranking at extremely low temperatures and safe protection from wear-out at high loads and temperatures.

Corresponds with requirements / specifications / products:

SAE 10W-30

API CJ-4/SN
