

## MANNOL Hand Sanitizer 4907

Instant hand sanitizer. Kills 99.99% of germs, bacteria and viruses within 15 seconds without detergent or water. Provides expert protection against infections and illnesses and successfully prevents their transmission. Can be used as a skin sanitizer as well as a surface disinfectant at home, work or in the car. Dries quickly and does not leave a sticky residue. Moisturizes and softens skin even after repetitive use.
